On the right lines

It always gives us pleasure to open an account for a young man who is just starting his career. We know that the possession of a banking account will be an asset to him and we believe that, as the years go by, there will be many occasions when our services can be used to help him in his career. That is why we give to him a welcome which is in no way diminished by the knowledge that his account, for some time at least, may be a small one . . . The Manager of your local branch will be glad to tell you more about our services.

THE ROYAL

· Guernsey's most agreeable Hotel ·

When prospective visitors enquire about Hotels, they naturally want details; yet it is a curious paradox that the better the place the less can be convincingly said for it! Perhaps the nicest compliment ever paid to the Royal was a guest's remark that it "was part of the Island." For that meant that he found the Royal a friendly and comfortable place, a place of contentment, a place to come back to

DIRECTIONS FOR USING THE GUIDE.

THE MAP—Railway journeys may be traced by the references (printed in red) on the map which indicate the Regional Table Numbers where the Train Services may be found.

THE INDEX. — Refer at once to your *destination*.

London stations are shown under their respective alphabetical headings.

Branch Lines and Junctions. — When Branch Lines are shown in the Main Line Tables they are indicated by the Stations being indented, *i.e.*, set a little to the right——Thus on page 183, *Sheerness-on-Sea*, is a Branch from the Main Line.

To proceed from a Station on a Branch Line to any Station on the Main Line, refer as follows :—

EXAMPLE.—From SHEERNESS-ON-SEA to DOVER.

Page 189	a.m
SHEERNESS-ON-SEA.....departure	7 22
Sittingbourne and Milton Regis.....arrival	7 39
Page 183	a.m
Sittingbourne and Milton Regis.....departure	7 45
DOVER (Priory).....arrival	9 13

When a Branch is *separated* from the table of the Main Line, THE ARRIVAL AT THE JUNCTION WITH THE MAIN LINE must be ascertained, and then reference made to the departure *from* the junction to the place required.

EXAMPLE—From LAMBOURN to PADDINGTON.

Page 44	a.m
LAMBOURN.....departure	8 0
Newbury Junc. with Main Line.....arrival	8 45
Page 38	a.m
Newbury.....departure	8 52
LONDON (Paddington).....arrival	10 15

Other Trains.—Where a train service is not complete on one table a note is inserted giving the Pages or Table Numbers where the additional trains will be found. When consulting the tables it is necessary to examine the pages carefully for these notes.

Departure and Arrival Times.—Where the abbreviations dep. or arr. are given opposite a station they indicate that the times shown for that station are departure *or* arrival times *only*. In cases where several stations in the same table show dep. or „ as on page 412, Euston to Watford Junction, and arr. or „ as on page 714a, Hitchin to King's Cross, a note or reference folio is inserted giving the Local Table where the departure *or* arrival times may be found.

Station Column Figures.—The figures in the Station Columns in the guide indicate the TABLE numbers of the connecting services at that point, and refer only to TABLE numbers in their respective Regions, except ITALIC figures which indicate PAGE numbers in the Guide.

Letter References (thus, A, *A*, Aa, *Aa*, a, *a*).—Reference must be made to the corresponding letters in the notes.

Dark Lines.—A mark thus Stop or Stop indicates the total stoppage of the train at that point; if any train be shown below in the same column, it is an independent one.

It will be esteemed a favour if early intimation be given of any error that may be found in the Guide.

INDEX TO STATIONS, etc.

* Preceding the page number (thus *1110) denotes that the reference will be found in the Train columns or in the Note on the page indicated, and *not* in the Station column.

FARES, Etc.

ORDINARY FARES.—There is no precise rate for fares applicable without exception to British Railways. In the left hand column of the Time Table pages in this Guide will be seen the distance in miles from various places, and, speaking generally, fares are based upon mileage rates of approximately 4d. per mile for First Class and 2½d. per mile for Third Class. The principal exception to this is where there are two or more routes by which through tickets are issued from any one point to another when the fare is based upon the shortest distance, e.g.:—

		Single		Return	
Euston	to Manchester—183 miles	1st	3rd	1st	3rd
St. Pancras	to Manchester—190 miles	s. d.	s. d.	s. d.	s. d.
King's Cross	to Manchester—203 miles	62 3	37 6	124 6	75 0
Marylebone	to Manchester—206 miles				

On the L. T. & S. Section of the Eastern Region and on London Transport Railways Ordinary fares are on a basis of approximately 1½d. per mile. For the first mile the Single fare is 1½d., for 2 miles 3d., for 3 miles 4d., for 4 miles 5d., Return fares are double the single.

MONTHLY RETURN TICKETS.—Excluding tickets for journeys between stations on the L. T. & S. Section of the Eastern Region and between London Transport Executive Stations (with certain exceptions) Monthly Return Tickets available for one month are issued for one return journey by any train on any day between any pair of stations in Great Britain (excluding London Transport stations with certain exceptions). The price of these tickets is approximately as under:—

3rd class—3½d. for each mile of the single journey distance.
1st class—Third class fare plus 50 per cent.

These tickets are available for break of journey at any station en route.

CHILDREN.—Under three years of age may travel free when accompanied by a fare paying passenger; three years and under 14 years of age are conveyed at half-fares.

ALTERNATIVE ROUTES.—Holders of Ordinary and Monthly Return Tickets enjoy certain advantages in respect of alternative routes for the return journey. Particulars can be obtained from the Region issuing the tickets.

DAY TICKETS.—Day return tickets are issued between many stations at the single fare for the return journey. First or Third Class. In some cases the Tickets are subject to certain train service restrictions, particulars of which can be obtained from the stations concerned. In the London Area Day Return tickets are issued at approximately 2½d. for each mile of the single journey distance, 3rd class, 1st class 50 per cent over 3rd class fare. These tickets are available for travel by any train on day of issue. Particulars can be obtained from the stations concerned.

CIRCULAR TOUR TICKETS.—Circular Tour facilities are available (upon prior application) to meet individual requirements for travel in England, Wales, Scotland, and Ireland, and to and from the Isle of Wight.

A Circular Tour may commence at any station and cover any desired tour of three or more point to point journeys in continuity, terminating at the town from which the journey commenced.

The Tickets are available for three months and break of journey is allowed at any point on the direct route.

The Third Class fares are generally approximately three-fourths single fare point to point, First Class being approximately 50 per cent. over the Third Class fares. (Minimum fares, First Class 34s. 11d. and Third Class 23s. 3d.)
